[Redacted]

Dear [Redacted]

Thank you for your letter of 1 June offering your services to the Central Intelligence Agency.

Enclosed are copies of forms for application for employment and Personal History Statements. If you will complete and return two copies of each of these forms to me, I shall have my personnel people make a survey of our available vacancies to see if we have anything for which your qualifications are suited. They will then get in touch with you.

I do appreciate your writing to me and hope we have something which may prove of mutual interest.

Sincerely,

*100-100000 - disp unit 6/1/50*
